

Edidiong Etok

Frontend Developer

etokedidionge@gmail.com | [LinkedIn](#)

Highly skilled Frontend developer with 2 years of experience in JavaScript, React, Next.js, and Tailwind. Proficient in building responsive and intuitive user interfaces that enhance the user experience. Demonstrated expertise in developing and maintaining scalable web applications using modern frontend technologies. Strong problem-solving abilities and a keen eye for detail, ensuring code quality and optimal performance. Committed to staying up-to-date with the latest industry trends and continuously improving skills to deliver innovative and cutting-edge solutions. A collaborative team player with excellent communication skills, capable of working efficiently in both independent and team-oriented environments. Ready to leverage expertise to contribute to the success of dynamic and forward-thinking projects.

I document processes and also give back to society by writing technical articles. Read my blogs [here](#) and [here](#).
